SCHADS Award Update

The Social, Community, Home Care and Disability Services Industry (SCHADS) Award has been significantly altered by the Fair Work Commission in line with the 4 year review, effective 1 July 2022. Join this session to ensure that you fully understand the Award and these changes that may have a significant impact on your organisation. Understanding your requirements to pay your staff correctly is essential and this session will take you through the Award, the changes, allowances, and classifications, and answer your questions regarding interpretation.

This interactive session will ensure that you have the opportunity to ask questions dependent on your individual organisational requirements.

Modern Awards, including the SCHADS Award, set our minimum terms and conditions of employment on top of the National Employment Standards for employees covered by the Award. These changes will have an impact on most employers.
