

# WORC101

## Workplace Culture

### Want to improve the culture in your organisation?

People are an organisation's most important resource and asset. A positive workplace culture is crucial to achieving the organisation's goals and objectives. This program provides a comprehensive and solid foundation in understanding, planning, and ultimately improving your workplace culture.

### Seminar Overview

- Start with analysing the current culture of your organisation
- Explore the impacts of culture - what happens when culture is good and what are the risks of poor culture?
- Understand the key drivers of culture
- Identify who is responsible for culture and how to engage them in the process
- Planning for change - where are we going and how do we get there?
- Strategies for implementing an organisational culture shift
- Actioning change management and how to keep momentum over the long term
- Understand how learning and development impacts organisation culture and its part in the change management process
- Keys to producing highly engaged employees
- Developing systems to recognise and reward valuable contributions
- Explore how your mission, vision, and values play an important role in your organisation's culture
